

MARY JANE PAGALAN

OPERATIONS SPECIALIST • SOCIAL MEDIA MANAGER • TRANSACTION COORDINATOR

Davao City, Philippines | +63 953 347 0832 | maryjanepagalan14@gmail.com

PROFESSIONAL SUMMARY

Operations specialist who takes over deadline-heavy, compliance-critical workflows and runs them with zero missed deadlines. Managed multi-million-dollar real estate transaction pipelines from contract to close with a perfect on-time record, delivered 100% on-schedule completion across concurrent corporate projects, and lifted financial record-keeping accuracy by 25%, all while building the SOP, tracker, or system before anyone had to ask for one. Hands-on across transaction coordination, CRM/database integrity, executive support, and content operations, with direct experience in both US real estate and DTC e-commerce.

CORE COMPETENCIES

Transaction & Operations: Contract-to-close management, milestone tracking, vendor coordination, SOP design, risk mitigation, compliance auditing

Executive Support: Inbox & calendar management, stakeholder communication, document collection, multi-principal scheduling

E-Commerce & DTC: Order & fulfillment tracking, chargeback/dispute resolution, warehouse & inventory oversight, customer support at scale

Content & Social: Content calendars, video repurposing (Reels/Shorts/TikTok), caption & hashtag strategy, performance tracking

Platforms: Wise Agent, Dotloop, DocuSign, Zipform, HiveMLS, HubSpot, Zendesk, Salesforce, Magento, Shopify, ClickUp, Asana, Trello, Microsoft 365, Google Workspace

PROFESSIONAL EXPERIENCE

Real Estate VA & Social Media Manager | Dana Blanks Real Estate (Remote)

Mar 2026 – Jul 2026

- Owned transaction coordination end-to-end — contract through closing — across a live pipeline of concurrent deals, coordinating title companies, lenders, inspectors, and co-op agents to hit 100% of critical deadlines.
- Audited legal agreements, disclosures, and addendums against compliance requirements before submission, catching gaps before they reached closing.
- Updated MLS listings and CRM records daily, keeping every transaction checklist audit-ready at every stage of the deal.
- Built and ran the monthly content calendar across Instagram, Facebook, and LinkedIn, converting raw footage into Reels, Shorts, carousels, and educational graphics, and tracking performance to decide what got repurposed next.
- Coordinated vendors and cross-functional deliverables, flagging deadlines well ahead of due dates instead of reacting to them.

Operations Specialist & Executive Assistant | Dana Blanks Real Estate (Remote)

Oct 2025 – Mar 2026

- Managed a high-volume executive inbox and multi-advisor calendar, triaging what needed the CEO's direct attention and drafting responses on her behalf, freeing her from day-to-day admin.
- Designed and deployed internal SOPs that standardized recurring workflows and cut down repeat questions from the team.
- Proactively chased advisors for signatures and missing paperwork ahead of legal cutoff dates, closing compliance gaps before they became problems.
- Maintained CRM and digital archives in audit-ready condition, enforcing data privacy and confidentiality standards across all records.
- Tracked advisor performance and reported findings directly to leadership to support recruiting and coaching decisions.

Project Coordinator & Team Lead | Flatworld Solutions (Davao City, PH)

Jul 2023 – Oct 2025

- Promoted from Ecommerce Account Executive (Nov 2023) after driving order, fulfillment, and customer-issue resolution for a US-based DTC beauty and apparel brand, first-hand experience with the pace, returns volume, and customer-service demands of the beauty/apparel retail space.
- Managed execution of multiple concurrent corporate projects, delivering a 100% on-schedule completion rate on core deliverables.
- Coordinated communication between external vendors and cross-functional teams, contributing to a 20% lift in operational efficiency.
- Oversaw high-volume fulfillment and warehouse tracking systems, enforcing quality control that prevented data leaks and reporting mismatches.
- Audited project logs, schedules, and activity records to protect the integrity of operational data across the team.

- Billing Associate & Technical Support (Tier 2)** | Sutherland Global (Davao City, PH)

Dec 2022 – Jun 2023

 - Managed complex corporate billing accounts, eliminating financial discrepancies and improving record-keeping efficiency by 25%.
 - Resolved high-volume service tickets under strict SLAs with a perfect deadline-compliance record.
- CRM & Operations Administrator** | Alpha Bravo Company Real Estate (Remote)

Jul 2022 – Jan 2023

 - Owned CRM cleanliness and database administration for a fast-paced sales team, tracking schedules and follow-up pipelines to keep deals moving.
- Account Specialist & Subject Matter Expert** | VXi Solutions (Davao City, PH)

Jul 2020 – Jul 2022

 - Investigated and resolved complex account disputes and financial chargebacks, maintaining clean records across departments.
 - Built process documentation and data-validation workflows supporting 100+ high-priority multi-channel client interactions daily.
- Senior Resource Deployment Analyst** | VIP Connection (Remote)

Feb 2021 – Jul 2021

 - Managed real-time, time-critical logistics and deployment schedules, resolving disrupted timelines outside standard business hours.

EDUCATION

Bachelor of Science in Criminology — University of Mindanao, Davao City, Philippines

CERTIFICATIONS & AWARDS

- Six Sigma Yellow Belt - Process Optimization & Operational Efficiency, Flatworld Solutions (2025)
